X. Work Assignment-Upgraded Scholarship:

Main Purpose: To develop the skills other than course work and research related to Thesis/Dissertation.

1. Department has tried and will do its best to provide assignments to as many GS as possible in the next term under the following possible categories:
  - a. Teaching Assistant/Grader (Max 1 GS/ Faculty)
  - b. Lab Teaching by PhD students
  - c. Administrative assignment to PhD students
  - d. Any other assignment as required
2. The criteria of Work Assignment:
  - a. Selection for Teaching Assistant/Grader will be based on the faculty choice and possible rotation of the students.
  - b. Selection of a PhD student for Lab Teaching will be based on the area of specialization of the student.
  - c. Selection of a PhD student for Administrative Assignment will be based on the administrative skills, experience and motivation.
3. The list of the students NOT assigned with any work will be prepared and sent to the CGIS so that the CGIS can assign them with the work outside the Department. In case of some special need such as proctoring, the student(s) from this list will be assigned with the task.
4. Department will not be responsible if at any stage the extended scholarship of UN-Assigned Students gets stopped. Do NOT compare with other Departments. Each Department/College may have different criteria.
5. Student should NOT mix the assigned work with their course/academic related work. Any excuses (like - I have major exam, quiz, term paper, thesis work etc.) will NOT be entertained.
6. If any task assigned is not delivered on time by a graduate student, he/she will get Un-assigned status and this will be reported to CGIS. Such a student may not get the extended scholarship and can be barred from assignment list for the next semesters.
7. If a student has special skills (in software or other area) and has expertise in it, he/she should inform in writing what and how he/she can contribute to the Department through his/her skills. Such students may get assigned for full term if selected.
